Simone is the foundation bitch of Windfall Retrievers. At the age of 10 1/2, she is still healthy and sound, capable of competing with much younger dogs in the field. A member of the first group of Hall of Fame Flat-Coats, she was pointed toward her Field Championship and Amateur Field Championship, was the breed's first Master Hunter, and earned an all-breed obedience High In Trial. Although only bred twice, she has proven to be an excellent producer.
